Read all instructions before use.

Warranty & Service

The warranty covers manufacturing defects and material faults under normal use. The warranty does not cover product misuse or normal wear and tear. For service requests and spare parts, please contact your local retailer or reach us directly via www.kaikuacoustics.fi.

Safety Instructions & Warnings

- Do not use damaged cables or connectors.
- Avoid exposing the headphones to excessive heat.
- Do not over-bend the headphone frame.
- Listening at high volumes for extended periods may cause hearing damage. Use responsibly.
- Do not attempt to disassemble or modify the headphones. All maintenance and repair must be performed by Kaiku-authorized personnel. Unauthorized disassembly or modification will void the warranty.
- Clean the headphones with a soft, dry cloth only. Do not use water, solvents or alcohol.
- Do not allow water or moisture to come into contact with the head phones.

Headphones Charging

Please follow the instructions below carefully and pay attention to electrical safety

1. Insert the Type-C charging cable into the charging port and connect the other end to the power source.

2. The red light will stay on while charging and will change to green when fully charged.

Charge the headphones for at least 2 hours before initial use. The headphones cannot be used while charging.

Do not over bend the headphones.

Do not over-bend or twist the headphones, as this may damage the headband structure or the wooden frame.
